Dear Parent/Guardian

Please find attached the School Climate Survey. Catholic Education of Western Australian has requested that all parents of Mary MacKillop Catholic Community Primary School complete this survey. Your feedback is very important, as it will help us with various future outcomes with the running of the school. Please keep in mind that any information given to NSIPartnerships is kept completely confidential.

I ask that you complete the survey online prior to the 16th August, 2019.

Your assistance in completing this survey is greatly appreciated.

Yours sincerely

To respond to the PaCS at Mary Mackillop Catholic Community PS in 2019, Parents go to www.NSIPartnerships.com.au and enter the code **MM2019P** in the Start Questionnaire field

Parent and Caregiver Survey (PaCS) – Parent Voice

You are invited to participate in a survey about your school's climate. Similar surveys will be administered to staff and students to enable us to capture a community snapshot.

All responses are confidential and will be used for school improvement purposes.

Completion of the survey is on a voluntary basis.

Your confidentiality

To protect your confidentiality all surveys are anonymous. All answers go directly to the National School Improvement Partnerships, where the results are analysed for your school. Answers from individual surveys will NOT be reported back to the school. Staff of the National School Improvement Partnerships staff are bound by a Code of Ethics and follow strict professional conduct.

Use of the data

National School Improvement Partnerships will report the results to the school in an aggregated format so that individuals cannot be identified. To enable drill-down reporting, the information provided to the school will contain data based on background information.

How to complete the survey

You will be asked whether you are completing the survey for an individual child or as a family. If the experiences of your children are similar, then responding once will suffice. If, however, your children are experiencing very different learning environments then you might want to answer separately for each child.

The survey contains statements about practices which could take place in this school. For each statement, you are asked to indicate how often the statement takes place.

There are no 'right' or 'wrong' answers. Your opinion is what is wanted.

Please be sure to answer all questions.

Some statements may be fairly similar to other statements. Don't worry about this. Simply give your opinion about all statements.

Please go to www.NSIPartnerships.com.au and enter the access code provided by your school.

If you require more information or have any questions, please contact the NSI Team.

Email: NSITeam@NSIpartnerships.com.au

Your time and consideration are much appreciated.
